

Young

The Cherry Capital of Australia

Young is an easy drive off the Newell Highway through Temora from the south and Forbes and Grenfell from the north.

Since settlement as 'Lambing Flat' in 1826, Young's history has evolved through the discovery of gold in 1860 and subsequent riots against Chinese miners to become a thriving town that offers unique attractions and a wealth of accommodation and dining facilities to suit the needs and tastes of every budget.

Young is the 'Cherry Capital of Australia' and boasts many cherry and stonefruit orchards, some offering 'pick your own'. Highlights of the year include Cherry Blossom in September/October and the National Cherry Festival in late November/Early December.

Young is also part of the 'Hilltops' region synonymous with producing quality cool climate wines and local produce. Five cellar doors offer tastings and sales of fine wines and quality produce are available in abundance.

Make the Young Visitor Information Centre your first stop where staff will assist, advise and enhance your stay.

Visit Young for cherries and stonefruit, history and heritage, food and wine.
